CUSTOMIZE CHECKLISTS TO YOUR NEEDS.

Each agency has its own way of doing things, so why should everyone's software act the same? Properties and Inspections is configurable to your internal processes, allowing you to customize checklists according to your agency's needs.

FROM A COMPANY YOU TRUST.

At ESO, we understand how first responders work because we've worn the uniform ourselves. Not only are our products designed for you — you'll feel like they were designed *by* you.

AN INTERFACE THAT MAKES SENSE.

Leave no stone unturned with an intuitive workflow that walks you through each inspection step by step.

MORE CODES, MORE FLEXIBILITY.

Unlimited code sets offer the flexibility you need to complete a variety of inspections.

IMPROVED SITUATIONAL AWARENESS.

Properties and Inspections provides you with the pre-plan data you need most to understand how best to respond to an emergency, including the property, building and occupant hierarchy.

CAPTURE KEY INFORMATION ON YOUR TERMS.

Snap a photo of a violation, document signatures and collect violations on site. With Properties and Inspections, you can capture key information when it is most convenient for you.
